CRAFTSMANSHIP COUNTS

When the weight of the world is depending on you; strength matters. At GLI, we know that our inground vinyl liners are the base upon which your entire pool setting is built; we understand the importance of a strong foundation. That's why all GLI liners are carefully constructed and designed with the highest quality vinyl using the most sophisticated computer-aided technology and leading-edge processes. We custom build each liner to the specifications of your individual needs. GLI carefully engineers every aspect and characteristic of your pool, including steps, bar stools, and/or other features that makes each liner as unique as each customer.

All GLI Inground Liners are created using G-Fusion Bonding Technology. This patent pending process is engineered to create a stronger, less visible seam for our custom-made vinyl liners.

Midnight Spring

SOMETHING EXTRAORDINARY

Looking to transform an ordinary swimming pool into something extraordinary? These elegant, modern, and sophisticated patterns, represent our new Midnight Spring Color Collection. The handcrafted appeal of the collection's rich variety of shades of gray, will cast a natural springlike teal when in direct sunlight. Like a natural spring, the depth of the swimming pool and darkness of the gray base will vary the color cast, ranging from a rich-midnight teal to a light spring-teal. Ordinary no more take a swim, in these natural Midnight Spring patterns.

Whitesand

SHIMMER IN THE SUN!

Crisp, bright, and pristine, this uniquely designed concept conjures tropic vistas of bleached beaches reminiscent of some of the white hot spot destinations south of the equator or in the remotest sections of the Caribbean. Clear, clean lines staggered by textured and contrasted by specks of blues and grays over a bright background of white make this collection rich and fun.
