

Simply intelligent water care.

VidaPure™ Warranty

VidaPure™ Chemical Controllers - Electronics

IPS Controllers warrants the **VidaPure™** controller electronics to be free of defects in materials and workmanship for a period of two (2) years from the date of installation. This warranty is limited to the repair or replacement of defective components (at our discretion) when returned to the factory within the two (2) year warranty period.

Other Components

IPS Controllers warrants all other components including pumps, flow cells and flow switches for a period of one (1) year from the date of installation. Sensors will be under warranty for a period of one (1) year from the date of factory purchase. This warranty is limited to the repair or replacement of defective components (at our discretion) when returned to the factory within the one (1) year warranty period.

Excluded

Pump tube assemblies and rubber components are considered perishable and are not covered in this warranty.

Limitation of Liability

This Limited Warranty excludes liability for any damage during transportation, consequential damages of any kind, damages due to improper installation or improper operation, improper handling of chemicals, and the use of this product in applications for which it was not designed.

Claims

All warranty claims should be directed to IPS Controllers at the contact point listed below. After receiving a Returned Merchandise Authorization (RMA) number, all product must be returned (shipping prepaid) to the factory for evaluation.
